ABOUT COMPANY

DELIVERING LOGISTICS WITHOUT LIMITS

We are a Bahrain-based integrated logistics company providing reliable, efficient, and scalable supply chain solutions across the GCC and global markets. Backed by over 100 years of combined leadership experience, we help businesses move cargo seamlessly through customized air, sea, land, warehousing, project logistics, terminal operations, and Third-Party Logistics (3PL) services.

Our commitment is simple: to deliver every shipment with precision, transparency, and operational excellence. Whether it's a single shipment or a complex multimodal supply chain, we provide end-to-end logistics solutions that keep businesses moving forward.

OUR VISION

To be our customers' preferred logistics partner by offering top-of-the-range logistics services efficiently and cost-effectively, while aligning with Vision 2030.

OUR MISSION

We aim to be an industry powerhouse, building and developing a world-class logistics organization with a customer-centric approach that places People, Processes, and Performance at the core of our business.

Connecting the GCC to the world with reliability, efficiency, and care.

OUR SERVICES

RELIABLE FREIGHT, WAREHOUSING, AND SUPPLY CHAIN SERVICES

From air, sea, and land freight to warehousing, project logistics, defense logistics, terminal operations, and value-added services, Gulf Global Logistics provides seamless, end-to-end logistics solutions tailored to meet your business needs.

AIR FREIGHT

Fast and dependable air freight solutions for time-sensitive shipments. We provide global coverage, secure handling, customs support, and real-time tracking to ensure your cargo reaches its destination quickly and safely.

SEA FREIGHT

Cost-effective ocean freight services for businesses of every size. Whether you require Full Container Load (FCL) or Less-than-Container Load (LCL), we deliver reliable shipping with efficient customs clearance and end-to-end visibility.

LAND FREIGHT

Reliable road transportation across the GCC with flexible delivery options. Our land freight services ensure safe, timely, and efficient movement of goods through optimized routes and cross-border expertise.

VALUE-ADDED SERVICES

Enhance your supply chain with customized logistics support, including kitting, labeling, repacking, sorting, quality inspections, and other value-added services designed to improve operational efficiency.

WAREHOUSING

Secure, strategically located warehousing solutions with advanced inventory management, order fulfillment, and distribution services. We help businesses optimize storage while ensuring accurate and timely deliveries.

DEFENSE LOGISTICS

Specialized logistics solutions for defense and military operations. Our experienced team manages sensitive cargo with strict compliance, secure transportation, and precise coordination for mission-critical requirements.

PROJECT LOGISTICS

Comprehensive planning and execution for oversized, heavy-lift, and complex cargo movements. From route surveys to on-site delivery, we ensure every project is completed safely, efficiently, and on schedule.

TERMINALS

Efficient terminal operations designed to streamline cargo handling, storage, and distribution. Our facilities support smooth import and export processes with reliable equipment, skilled personnel, and operational excellence.
